

2022 Grants
For calendar year 2022-2023
\$48,000

Project Title	Summary	School	Sponsor Educator	Amount
Anatomege Table	This grant will provide a 3D human anatomy learning table which allows students the unique opportunity to explore REAL images of human anatomy. Students will be able to virtually dissect human tissue, similar to what is done in medical schools.	HHS	Bethany Spinks	\$48,000
